the Maline Creek Watershed

~~Dear Mr. Bennish:~~

The contract for the above project is being awarded to you as the low bidder. As required by the Plan of The Metropolitan St. Louis Sewer District, the contract must be formally executed by the Contractor and the Executive Director. Before this contract becomes binding and effective, it must be confirmed by ordinance adopted by the Board of Trustees. It is my understanding you plan to execute the contract on June 23, 1981 and the confirming ordinance will so state.

It will be necessary that three (3) executed copies of the Performance Bond (forms forwarded to Safeco Insurance Company, Attn: Larry Bosch), be filed with the District before execution of the contract on June 23rd.

Failure to execute the contract, bonds and other required certificates within ten (10) days after receipt of the award of this contract, shall be cause for the annulment of the contract award and forfeiture of the bid security to the District.

Sincerely,
